Duke of Edinburgh

Four pupils from our S4 curriculum DofE class managed to complete their Expedition programme. The four amazing pupils over came a number of personal challenges in order to make this section possible. The programme included detailed training in school covering navigation, route planning, camp craft, first aid and cooking. The group put these new found skills to the test in a practice expedition on the 14/15 Sept. This took place in and around the Lomond hills in Fife using The Pillars campsite where they enjoyed a camp fire and much needed rest.

Their expedition qualifier took place in the Kinnoul hills above Perth on the 28/29 Sept. the camp area used was part of Willowgate Trust land on the River Tay. The group successfully finished their endeavour with big smiles on their faces. Mr Fallon and Mrs Anderson were the groups supervisors were delighted see them celebrating at the end.

Out of School Excursions

Mr McQueen, Mrs Haynes and Miss Taylor have been busy organising and running two trips away to watch Scotland men and Women's teams play Football.

On Thursday 6th October we took 24 girls from the school of football to watch Scotland play Austria in a world cup qualifier. The girls were able to watch an exciting game where some excellent talent was on show. Scotland eventually won the game in extra time showing the values that we look for in our own team of determination, respect and communication. The girls were a credit to the school and had a good time.
