Mrs Suzanne Yule

Ms Alison Mitchell

Mrs Caroline Brown

Wednesday 8th June 2022

Dear Parent/Carer

Head Teacher Secondment and Joint Headship Information

I am writing to inform you that I will be undertaking a secondment for the equivalent of two days a week from August 2022 to support the development of the curriculum across Midlothian secondary schools and to support planning for the national priority regarding an increase in teacher non-contact time.

I'm delighted to confirm that Ms Ali Mitchell, currently DHT Curriculum, and I will be sharing Head Teacher responsibilities at our school from August.

As things currently stand this secondment, and joint headship, will be in place until June 2024.

We will carry out a further internal recruitment process to ensure all aspects of Ali Mitchell's current remit continues to be covered.

Our aim is to conclude this process before we break up in June when a further update will be shared with parents/carers and students.

Yours sincerely

Mr Campbell Hornell
Head Teacher
