Mrs Ruth Bisson

Good afternoon,

Supporting all of our students and families is highly important to us. We currently use a proportion of school funding and staff time in a number of ways which we would like to tell you about and get your feedback on.

This year, we are creating a new 3 year support plan and will be going through a period of consultation with students, staff and families. We value your views, experiences, opinions and ideas and would like to invite you into Lasswade High School on:

- Wednesday 11th March at 2pm OR
- Wednesday 18th March at 5.30pm

Working in partnership will enable us to make the best improvements for all of our community and improve outcomes for all students. Our meeting will be informal and last for approximately an hour.

Please call the school office on 0131 271 4530 or email c.brown2@mgfl.net to confirm your attendance. On the day, please sign in at the school reception where I will then come to meet you. Tea and coffee will be available.

Many thanks

Caroline Brown
Depute Head Teacher
